

A non refundable registration fee of \$100 is required with this registration form. This fee covers all supplies, any books that may be used, and daily snacks for the year.

Preschool classes for the 2016-17 school year are scheduled to begin early to mid August 2016 with graduation being early to mid May 2017. The proposed yearly preschool tuition rate is \$1560. Tuition may be paid in full or broken down into quarterly monthly or weekly payments. Anticipating the preschool year to consist of 39 weeks (including holidays) the yearly tuition rate can be broken down into weekly payments of \$40. These payments will begin the first week of preschool and continue through the last week of preschool and will include all holiday weeks. If any account becomes delinquent for 30 days, the child may be removed from the school until the account is paid in full. Checks should be made payable to **SFUMC PRESCHOOL** and be placed in collection box inside classroom. Receipts will be written for cash payments.

There will be no deductions for absences due to illness or for any other cause. The Preschool is operated entirely on the funds provided by tuition fees. When you register a child we assume it is for the entire year. Before a child is removed from the school, the parents must have a conference with the child's teacher, and must give two weeks written notice of their intention to withdraw. Otherwise, the parents are obligated to pay an additional month's tuition.

Currently classes are being provided for 3 and 4 year olds. Classes are held Monday through Thursday, 8am till 12pm. Schedule of holidays will closely follow that of the Emanuel County School System.
