Melinda Hall, Director of Preschool

Dear Parents or Guardians,

I am pleased to send you the information and application you requested from Swainsboro First United Methodist Church Preschool. Upon receipt of your completed application and registration fee more detailed information concerning open house and next year's calendar will be sent to you.

Since 1967 SFUMC has provided over 1000 children with a strong educational foundation but more importantly and of more value, it has provided a strong spiritual beginning. Our preschool offers a safe, secure, happy, and nurturing environment where children can be comfortable and feel loved as they grow spiritually, socially, emotionally, intellectually, and physically. In a structured routine the children participate in daily Bible lessons (including prayer and praise with singing), reading and math readiness activities, art, music, outdoor play and socialization.

The children are taught to appreciate life, respect and love themselves as well as others, and above all else to please and show love to God with their behavior and actions. Having been taught such values at an early age has helped a great number of our graduates to become leaders among their Sunday School classes, youth groups, school and civic clubs/activities and were therefore positive role models for their peers. These children were esteemed high school and college honor graduates and later achieved success in their careers and personal relationships.

What a great honor it will be to include your child in our program and help him/her to become to best he/she can be!

I hope you find this very helpful when making decisions concerning your precious one's preschool years. If I can be of any help to you please contact me by email, call or text and again I thank you for your interest.

Train up a child in the way he should go, and when he is old he will not turn from it.
